**Qualifying Examinations:** Two Qualifying Exams completed at the Master’s Level

**1. Exam Type** \_\_\_\_\_

**2. Exam Type** \_\_\_\_\_

*Other expectations:*

- The department expects Master’s students to finish the degree in 4 to 6 quarters.
- Under Graduate Council Policy, students have a maximum of 4 years to complete the Master’s degree.
- Each student has 2 chances to take each qualifying exam.
- Students need to maintain a minimum 3.0 grade point average to receive the degree, and at least a ‘B’ in each of the required courses.
- A student must be registered or on filing fee leave during the quarter he/she wants to graduate.
