University of California - Santa Barbara

[VEE Applied Statistical Methods](#) [VEE Economics](#) [VEE Corporate Finance](#) [VEE Accounting and Finance](#) [VEE Mathematical Statistics](#)

Note: Candidates may not apply for VEE Mathematical Statistics credit until 7/1/2018, please see the [VEE changes page](#) for more information. The VEE Mathematical Statistics courses may be shown in the directory as specific courses or course combinations; candidates must complete all courses listed in the combination. No alternate combinations will be accepted without an additional course approval application process. The "Additional Requirements" column indicates which component of the VEE topic that specific course satisfies. If it states "No additional requirements", then that course will satisfy the complete VEE topic. FAQs are posted on the VEE Web page for information about adding options to the directory or extending the approved timeframe for options currently listed. Contact vee@soa.org if you have additional questions.
