|           | Fall          | Winter        | Spring         |
|-----------|---------------|---------------|----------------|
| Freshman  | MATH 2A or 3A | MATH 2B or 3B | MATH 4A        |
| Year      | ECON 1        | ECON 2        | CMPSC*         |
|           |               | CMPSC*        | ECON 10A       |
|           |               |               |                |
| Sophomore | MATH 6A       | MATH 4B or 8  | MATH 6B        |
| Year      | MATH 4B or 8  | PSTAT 120A    | PSTAT 120B     |
|           | PSTAT 10      |               |                |
| Junior    | PSTAT 160A    | PSTAT 160B    | PSTAT 170      |
| Year      | PSTAT 171***  | MATH 117      | PSTAT 126      |
|           |               |               |                |
| Senior    | MATH 104A     | MATH 104B     | MATH 104C      |
| Year      | UD Elective** | UD Elective** | UD Elective ** |
|           |               |               |                |

Suggested Plan of Study-B.S. in Financial Mathematics and Statistics (FMS) 2017-18

Accelerated track (the student already has taken AP calculus and many GEs)

|           | Fall               | Winter                     | Spring                     |
|-----------|--------------------|----------------------------|----------------------------|
| Freshman  | MATH 4A            | MATH 6A                    | MATH 4B                    |
| Year      | ECON 1             | ECON 2                     | PSTAT 120A                 |
|           |                    | CMPSC 8 or Eng 3*          | PSTAT 10                   |
| Sophomore | PSTAT 120B         | PSTAT 160A                 | PSTAT 160B*                |
| Year      | MATH 8             | PSTAT 171***               | PSTAT 170 or UD Elective** |
|           | MATH 6B            | ECON 10A                   | MATH 117                   |
|           | CMPSC 16*          |                            |                            |
| Junior    | MATH 104A          | MATH 104B                  | MATH 104C                  |
| Year      | PSTAT 126          | PSTAT 170 or UD Elective** | UD Elective** (PSTAT 176?) |
|           | UD Elective**      |                            |                            |
| Senior    | Take grad courses. |                            |                            |
| Year      | Do research.       | Grad courses, research     | Grad courses, research     |
|           | Add another major. | double major               | double major               |

\*Only one of the following courses is required: CMPSC 8 (Python), CMPSC 16 (C++) or Engineering 3 (Matlab). If schedule allows, students are encouraged to take more than one CMPSC class. Students with AP CS credit may skip CMPSC 8, otherwise, start at CMPSC 8.

\*\*16 units from: Economics 100B, 101, 130, 134A-B, 140B, 141, 171, 181; Math 108A-B, 124A-B, 132A; PSTAT 120C, 130, 131, 132, 134, 135, 171, 173, 174, <u>176</u>.

\*\*\*Additional Notes:

-PSTAT 171 is a recommended elective in preparation for PSTAT 170 (Upper division requirement). -PSTAT 176 is a new course on advanced financial mathematics. To take this class, *PSTAT 160A and PSTAT 170 must be completed with a B- or higher*.

-Either Math 4A, 4B, 6A, or 6B must be completed with a grade of "B" or better in order to take Math 8. *(Please note "or" is different than "and")* 

-The following courses will not apply to the major: MATH 100AB, 193, 195AB and PSTAT 109, 193.
