# PSTAT DEPARTMENT GROWTH

## HOW DO I RUN A DEGREE AUDIT?

- Major Progress Checks may be run in GOLD under “Progress”
- We highly recommend you run a Major Progress Check once per quarter to confirm your progress on your degree.

## HOW DOES THE WAITLIST WORK?

- All waitlists are on a first come first serve basis. Waitlist settings can be viewed in GOLD under “*Course Info*” > “*General*”
- Students must be enrolled in at least 12 units to add to the waitlist. This typically will not be until Pass 2.
- **WAITLIST TIP:** Be sure to link your waitlisted course(s) to *enrolled* course(s) so you can waitlist more units.
  - Unlinked courses count toward your unit maximum.
- Keep in mind that the waitlist does not know if you are eligible to enroll. If you have not met the pre-reqs you won't be added, even if you're #1.
- The waitlist is not *realtime* and only moves once or twice a day.

## WHAT DOES MY WAITLIST POSITION NUMBER MEAN?

- You can view your waitlist position on GOLD.
- You will have a waitlist position for the lecture and for each section you have selected.
- Your *section* waitlist position(s) may fluctuate if students above you on the *lecture* waitlist alter their section preferences.
- **WAITLIST TIP:** Select as many sections as possible when adding yourself to the waitlist.

# WHAT CLASSES ARE BEING OFFERED NEXT YEAR?
